I have the honor to bring to your notice that a large quantity of blasted Stones obtained in opening out roads at the Basavanagudi Extension are available for use and to enquire whether any funds can be made available for building a rustic wall all round "Basavanagudi" as far as these Stones will go. The Stones will be supplied free of cost and the work will be done as economically as possible by the Executive Engineer Special Imprts: Division who has the interests of the temple at heart.—

2 No Estimate can be furnished but of a grant of say Rs: 500/- is made, you can judge of the outturn by the progress made for that sum. The favor of an early reply is awaited.—
